

Proof of Vaccination-Vaccine Card

By order of the Provincial and Regional Health Officers, proof of two-doses of COVID-19 vaccination is required to access some events, services, and businesses. All people accessing the North Peace Gymnastics facility must follow the requirements outlines in the Provincial Face Coverings and Gathering and Events Orders, as well as the Northern Health Gathering and Events Order. The Proof of Vaccination requirement will stay in place till November 19, 2021 or when the order is lifted by the Provincial Health Officers.

Proof of Vaccination

- Proof of full vaccination is required for some programs and services beginning October 15, 2021
- People aged 18 years and older are required to produce one piece of photo identification with their Vaccine Card
- Participants (18 years and older) may give consent in their Active account to note their proof of vaccination on file (only requiring to show it once)

Where Proof of Vaccine is Required:

- When attending adult programs
- When attending mixed-age (adult and child) programming
 - Diaper Gym, PlayTime Tots, Drop in Preschool Play, North Peace Moms Playdate
- When volunteering (not coaches/officials) for programs and events

Where Proof of Vaccine is NOT Required:

- Organized sport and programs for children and youth
- Teachers and Educational Assistants providing/assisting in educational/sporting activities

Spectators

- At this time NPGA will remain a locked facility without spectators

Masks

- All participants 5 years old and older are required to wear a mask when entering/exiting the facility and in all common areas (hallways, stairwells, bathrooms)
