

# Illness and Covid 19 Attendance Protocols

---

As BC health officials shift their emphasis to preventing the transmission of Covid-19 NPGA continues to make the health and safety of our participants and staff one of our utmost priorities. NPGA is updating it's Illness and Covid 19 Attendance Protocols for participants.

## Daily Health Screening

- Families are asked to self assess their participants before bringing them to gymnastics
- NPGA has adopted the Provincial School Daily Health Screening checklist
- The Health Screening checklist can be found on our website, social media and near the entrance
- Participants experiencing symptoms on the daily health screening must stay home from class till their symptoms resolve

## Participants-Close Contact with a household member with Covid-19

- A close contact with a household member is described as someone who lives in the same household as the participant
- Participants who are fully vaccinated but are a close contact to a member of their household can continue participating in classes as long as:
  - The family member is self isolating in the home
  - The participant has no symptoms
- Participants who are not fully vaccinated must not attend class for a minimum of 5 days after initial exposure
- Participants who begin to show symptoms after an initial exposure must not attend class for a minimum of 5 days or until they are symptom free

## Participants who Test Positive for Covid-19

- Participants who test positive for Covid 19 must stay home for a minimum of 5 days or longer if symptoms persist
- Participants and families must follow the direction of Northern Health
